

19th March 2020

Dear Parents/Carers,

Firstly, thank you for the positive messages of support that we have received. It is reassuring to know that you are appreciative of the communication between the Trust and yourselves.

We have met as senior teams from all of our schools again this morning, to make certain we are doing everything we can to support every single one of our pupils and students. We will ensure we are not only supporting those students working from home, but also that we remain open for identified students in order to help our community run during this time. I will write to you later today outlining our plans for the coming weeks.

To help us with our planning, could you please let us know if you have been identified as a 'key worker' under the government's current outlined criteria*

(*If the following list changes, we will inform you)

- NHS and Care Homes
- Police and Fire Service
- Teachers
- Retail delivery
- Those manufacturing vital equipment, such as ventilators

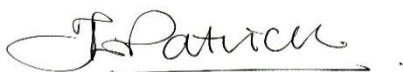

If you are a 'key worker', would you please provide us with the following information, by 9.30am at the latest, tomorrow morning, on the following telephone number 01530 278986:

- Your name
- Your job role
- Your child's name
- Your child's school
- Your contact number

You will then be contacted by a member of our staff. Please be assured that due to GDPR legislation, this information will be deleted off the phones once you have been contacted.

Thank you for your continued support.

With best wishes

Julia Patrick

CEO
