Dear Parents & Carers,

This evening the Prime Minister has made an announcement reinforcing the message to **"stay at home"** alongside further measures designed to slow the spread of the Covid-19 virus.

The Apollo Schools will remain open tomorrow, Tuesday 24th March for students whose parents have been designated as key workers. We are committed to protecting the wellbeing of our students and staff - therefore we are requesting that children attend school only if there is no other safe alternative.

So that we can ensure safe, adequate, yet minimum levels of staffing in school, please would parents whose children will continue to attend school, inform us of this as soon as possible, by calling the Trust on **01530 278986** and leaving a message.

Thank you for your kindness and support during these uncertain times. Please continue to stay safe.

Yours faithfully

A handwritten signature in black ink that reads "Julia Patrick".
