

6 April 2020

Dear Parents/Carers,

I hope this email finds you well - congratulations on surviving two weeks of home learning! I know from the feedback I have been receiving that some of you have found this liberating while for others it's been maddening. It's a strange new world we are finding ourselves in and we're all learning as we go along.

Newbridge staff have been working incredibly hard to provide your children with substantial work to be getting on with at home and are committed to providing continued quality learning as best we can in these circumstances.

We have really valued the contact we have had with you at home, we believe that our care and guidance is still as important now as ever. We will continue to do our best endeavours to support you and your child for as long as this goes on for.

With that in mind I would like to signpost you to a few things:

The Newbridge website – www.newbridgesch.uk

You will find a Covid-19 drop down link which gives you information about the work we are setting, how to manage your mental health and wellbeing, how to stay safe online and other useful links and resources, plus information about our Easter Awards.

Easter Awards

This is the start of the two week Easter holiday, so we will not be uploading any work during this time. Instead we are launching a Newbridge Award Challenge for students to get stuck into, where students can earn awards for a number of different categories. Students can choose to take part in it if they would like and upload their evidence onto the following google classrooms:

- Year7 - Class Code: azdw6m3
- Year8 - Class Code: dj5peqg
- Year9 - Class Code: o62xkb4

I really hope to see some fantastic entries and be able to give out many awards!

Also you will find some links to other challenges and activities, to keep your child occupied.

Continues overleaf:

Head of School – Mrs Katrina Farragher | Deputy Headteacher – Mrs Natalie Fox
Executive Headteacher & Chief Executive Officer of The Apollo Partnership Trust – Mrs Julia Patrick

Newbridge News

You will also be able to enjoy reading our latest edition of Newbridge News which lets you know what has been happening at the school since Christmas, we will notify by email when it is published.

Activities Week

We have decided to postpone the next Activities Week payment until later in the year when we have more guidance from the Government about whether activities like this will go ahead.

I do hope you all stay safe over the Easter period and enjoy your family time together.

Yours sincerely,

Katrina Farragher

Head of School
