This section should be read in conjunction with the Trust's GDPR/Data Protection/Photography & Videos at School Policy/Privacy Statement

- 5.1 Employees are privy to confidential and sensitive information about the Trust, their colleagues, volunteers, pupils and their parents. The Data Protection Act 2018 states that anyone who is responsible for using personal data must follow strict data protection principles.
- 5.2 All employees must therefore ensure that any information collected is:
- used fairly, lawfully and transparently;
  - used for specified, explicit purposes;
  - used in a way that is proportionate, relevant and limited to only what is necessary;
  - accurate and, where necessary, kept up to date;
  - kept for no longer than is necessary;
  - handled in a way that ensures appropriate security, including protection against unlawful or unauthorised processing, access, loss, destruction or damage.
- 5.3 Employees must:
- not disclose, or use (directly or indirectly) any information (either about Trust business,

employees, pupils, parents, or external agencies) received in the course of their work or allow others to do so whether during their employment or after their termination. Any such data must only be accessed by authorised users for legitimate purposes;

- not use data held by the Trust for any purpose other than that for which it is intended;
- ensure that all data is kept secure (i.e. locked away or protected by password) and that data on screens or within documents are not left within view of others;
- not disclose or display information about logins or passwords for automated devices, or keycodes or similar for manual locks;
- ensure that when sharing personal or sensitive data external to the Trust that it is done by secure methods taking care to minimise the risk of loss and making sure it reaches the intended recipient.

5.4 When an employee is in doubt about whether to share information or keep it confidential, they must seek guidance from the School Leader or line manager.

5.5 Employees must follow and comply with the Trust's data handling/information security/privacy notice at all times. Failure to do so is considered a serious breach.

## **6. DECLARATION OF INTEREST / CONFLICT**

---

6.1 The Trust understands and encourages employees to undertake activities outside of work and take an active role in their community. However, employees should avoid any activities that have the potential to cause a practical conflict with their employment, or reputational harm to the Trust or undermine the Trust's trust and confidence in them.

6.2 If a conflict, or potential conflict, arises during the course of an employee's employment with the Trust, this must be declared to the School Leader or Trust line manager if working centrally, for their consideration as to whether it would be appropriate to continue with the activity. Where an employee fails to comply with instructions from the School Leader or relevant line manager it may be treated as a disciplinary matter.

6.3 It is the responsibility of employees to declare any interests or conflicts. Failure to do so may be considered a disciplinary matter. Any concerns or queries regarding interests or potential interests should be discussed with an employee's line manager at the earliest opportunity.

## **7. GIFTS & HOSPITALITY**

---

7.1 Employees should not accept or give any significant gifts or offers of hospitality, as this could be perceived as an act of bribery to influence decisions or may be construed as favouritism, which might then compromise the individual or the Trust. The term "gift" can also include the provision of services at a lower cost than that charged to the general public.

7.2 Employees should notify the School Leader or line manager, if they receive any gifts of substantial value or significance and, where possible, decline the offer politely and firmly. If in doubt employees should discuss the matter with the School Leader or relevant line manager if working centrally.

- 7.3 Any provision of hospitality that is seen as necessary to represent the Trust may be accepted with the approval of the School Leader (or in the case of the School Leader or Chief Finance & Operations Director, Trust Leader) and **MUST** be entered into the Trust Gifts & Hospitality Register.
- 7.4 Gifts of appreciation such as gifts at Christmas or “Thank You” gifts given at the end of a School term, which have no substantial financial value (less than £25) can be accepted and do not need to be declared to the School Leader.
- 7.5 Under no circumstances should employees accept cash as a gift, even below £25, unless it is cash for donations to the Trust’s charitable funds. Any such donations must be handled in line with the financial procedures.

## **8. MOBILE PHONES & HAND HELD DEVICES**

---

8.1 Personal mobile telephones and hand held devices must **not** be used, unless you are given express permission by the Trust Leader and never:

- during lesson times/when teaching is taking place;
- when supervising pupils outside of the classroom (e.g. at break times/lunch times);
- at any time when responsible for the health and safety of pupils, including whilst off Trust premises (e.g. on a School trip).

8.2 Employees must not, unless you are given express permission by the Trust Leader:

- use their personal mobile phone or devices to contact pupils or their parent/carers;
- use their personal mobile phone or devices to take photographs of pupils or retain personal information regarding the pupils at the Trust;
- give out their personal phone numbers or contact details, including personal email addresses to pupils or their parent/guardians;
- keep inappropriate or illegal content on the device.

8.3 Where there is a need to deviate from any of the above (e.g. in an emergency situation), employees must inform the School Leader immediately or as soon as practically possible.

8.4 The above points aim not only to protect pupils but also to protect employees from allegations of misconduct or inappropriate behaviour.

8.5 Employees bringing a personal mobile phone or hand held device into any Trust site do so at their own risk. The Trust will not be held responsible or accept any liability for personal equipment that is lost or is stolen.

8.6 Where key employees working across sites or other special circumstances are given permission to use their own devices, employees do so on the understanding that all work is conducted in accordance with the Trust’s Safeguarding and GDPR policies.

## **9. NOTIFICATIONS OF CONVICTIONS / CAUTIONS**

---

9.1 Employees **must** disclose **any** cautions or convictions:

- prior to or on appointment;
- at any other time during their employment. Where employees receive any new cautions or convictions during their employment at the Trust this must be disclosed to the School Leader. Consideration will be given to how the caution or conviction impacts on an individual's role within Trust.

9.2 The above also applies to any driving convictions received by prospective and existing employees.

9.3 This Trust operates a re-checking process which will require all employees to undergo a further DBS check every 7 years rolling programme. Failure to undergo any further checks when requested to do so may result in disciplinary action being taken which could lead to dismissal or may lead to dismissal.

## **10. PERSONAL APPEARANCE & DRESS CODE**

---

- ensure that clothing and any jewellery worn is appropriate to the role being undertaken (N.B. It is recognised that some roles will require employees to wear sports clothes, such as those involved in PE. For these individuals appropriate sportswear and equipment should be worn and jewellery must be kept to a minimum to avoid injury);
- ensure that clothing and/or personal appearance is appropriate and will not cause embarrassment or offence to others. Clothes should be non-offensive and contain no provocative logos or remarks;
- ensure that clothing does not over-expose parts of the body (e.g. stomach or chest) or is transparent. Tight or revealing clothes, including mini-skirts, low cut tops or low waistlines are not considered appropriate;

- Employees of particular faiths or religions, which are required to wear specific types of clothing will be respected subject to where this may pose a hazard to the health and safety of anyone or where this impacts on teaching and learning.

#### 10.4 Hair:

- Hair (including facial hair) should be neat and tidy at all times and hair should always be worn tied back when handling food or where there may be a health and safety risk.

#### 10.5 Tattoos:

- Any visible tattoos should not be offensive to others. Where they are deemed to be offensive or are of an adult nature they should be covered appropriately.

10.6 The above list is not exhaustive in defining acceptable and unacceptable standards of dress and appearance and staff should use common sense in adhering to the principles listed above. The Trust reserves the right to highlight any inappropriate clothing and may require employees to address this matter if considered necessary.

10.7 There may be times when employees wish to support different charities and they would like to ask for exceptions to the normal rules, for example, Jeans for Genes Day and Christmas Jumper Day. On these occasions employees must still be mindful of the principles contained within the code.

10.8 Failure to adhere to the Trust's standard of dress and appearance could constitute misconduct and may result in disciplinary action.
